

**PROPOSAL FOR NEUROSCIENCE INDEPENDENT STUDY PROJECT  
NEUR1970**

**INSTRUCTIONS:**

FOR INITIAL PROJECT REVIEW:

1. Fill out this form and sign it below. On the back, describe the independent study project you wish to undertake.
2. Have the sponsor of your project sign below in the indicated space. This form becomes part of your permanent file and indicates that the sponsor agrees to support the work.
3. Submit the proposal form to the Department of Neuroscience Office (neurowundergrad@brown.edu) for review by the Neuroscience Undergraduate Curriculum Committee. Allow at least one week for this review process. If the project is approved, you will be notified and approved for enrollment on Banner.

FOR CONTINUATION REGISTRATION:      Check here [   ]

1. If you have completed one or more semesters of NEUR1970 and wish to register for additional semesters, check the box above indicating that this is your intention, enter the relevant information on the form, have your faculty sponsor sign it, and submit it to the Department office. You will be notified of your enrollment approval on Banner.

You do not need to describe the project again.
