

## NEUROSCIENCE CONCENTRATION: STUDENT/ADVISOR AGREEMENT

Complete and return to the Department of Neuroscience / Box G-LN

Name \_\_\_\_\_ I.D. No. \_\_\_\_\_

Expected Year of Graduation \_\_\_\_\_ Box No. \_\_\_\_\_

Please list those courses you have completed and plan to complete, in order to satisfy the requirements for the concentration in Neuroscience. **Do not list AP or transfer credit for concentration requirements unless these credits appear on your internal Brown transcript.** See page 25 for further information.

**Background Courses:**

| <u>Semester or Year</u> | <u>Course Title</u> | <u>Course Number</u> |
|-------------------------|---------------------|----------------------|
| _____                   | _____               | MATH _____           |
| _____                   | _____               | PHYS _____           |
| _____                   | _____               | PHYS _____           |
| _____                   | _____               | BIOL0200 _____       |
| _____                   | _____               | CHEM0330 _____       |
| _____                   | _____               | CHEM0350 _____       |

**10 Core Concentration Courses:**

**Lecture Courses**

|       |  |          |
|-------|--|----------|
| _____ | The Brain: An Introduction to Neuroscience | NEUR0010 |
| _____ | Principles of Neurobiology                 | NEUR1020 |
| _____ | Neural Systems                             | NEUR1030 |

**Statistics Course** (*see approved list*)

\_\_\_\_\_

**Laboratory Course** (*see approved list*)

\_\_\_\_\_

**Critical Reading Course** (*see approved list*)

\_\_\_\_\_

**Four Thematic Electives**

\_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

\*Submit with this form a short paragraph for each of the additional courses justifying its inclusion in the concentration.

\*Also submit a short paragraph describing how you intend to complete your research requirement.

**I understand that I must satisfactorily complete the courses listed above in order to graduate with a concentration in Neuroscience. If I decide to alter this concentration program I will obtain the approval of my concentration advisor and submit a new copy of this form.**
